

## ROSATO (2013 VINTAGE)

Our 2013 Rosato is in the light and bright style of classic easy drinking Rosé wines. Our first harvest of estate Grenache was fermented nearly dry on its skins to lend a fine-grained grippiness to the palate that has a subtle smoothness hiding behind the dry finish. The Barbera underlines an earthy note and ensures a good acid backbone while the Primitivo adds a fruity roundness and subtle berry notes. This particular Rosato has the capacity to age for several years as well with its firm structure and ample fruit. Enjoy with salads, charcuterie, fried foods or roasted poultry.

Our Rosato is dry, but quick on its feet with a light feel, delicate floral and red fruit notes and just enough crispness to pair beautifully with most any light to medium-weight food. We are also proud to announce that it is the first wine labeled with our new “Kelsey Bench” AVA designation.

The 2013 vintage is considered one of the more perfect vintages a winemaker might ever hope to see. Just enough rain fell over the winter, the Spring saw little frost, fruit set was strong and the steady ripening warmth in Lake County was perfect and consistent. Even harvest took place under ideal moderate conditions. After a cold and wet 2010 and 2011, 2012 and 2013 were gifts.

**\$16 Retail**

47% Barbera  
34% Primitivo  
19% Grenache

100% estate grown  
Kelsey Bench, Lake County
