

## 2012 MUSCAT

We have been producing this slightly off-dry, Alsatian-style of Muscat since 2007, and each vintage tells its own story every year. The warm and lengthy 2012 vintage features 35% Moscato Giallo (Yellow Muscat) which provides a core of mineral and green melon while the 65% Moscato Bianco adds the body and Muscatty aromas of almond, vanilla and tropical fruit. Several months of battonage add complexity and mineral elements while restraining the fruit slightly and adding textural interest.

This Muscat is only slightly sweet, and should be enjoyed with food just as an off-dry Riesling might be.

Recommended pairings: fried dishes, seafood with cream sauces, salty cheeses, charcuterie, roasted chicken

The 2012 vintage is considered one of the most perfect vintages a winemaker might ever hope to see. Just enough rain fell over the winter, the Spring saw little frost, fruit set was strong and the steady ripening warmth in Lake County was perfect and consistent. Even harvest took place under ideal moderate conditions. After a cold and wet 2011, 2012 was a gift.

**\$16 Retail**

35% Moscato Giallo  
65% Muscat Canelli

Nova Vineyard, Yolo County

150 cases made

6 grams/l. residual sugar

12.5% ABV

Fermented and aged in  
stainless steel,  
Regular battonage,  
ML-blocked

Hand bottled 8-29-2013
